SUBJECT: DEMARCHE DELIVERED ON PROPOSED CHANGES TO APIS

REF: A. STATE 199855

[1](#)B. GRENADA 74

[1](#)1. Per ref A instructions, Emboffs attempted to deliver verbal demarches on the unfeasibility of proposed changes to APIS to Eastern Caribbean capitals. As in Grenada (ref B), many interlocuters were unavailable because of holiday activities but messages regarding substance of demarche and requests for further conversation with principals were left at the ministries. None of those we reached was aware of the proposed changes so were unable to offer a substantive response. Post will continue to promote early passage of APIS enabling legislation and timely cooperation on APIS implementation.
